

MEMORANDUM FOR: Acting DCI

Tab A is Ray's memo re Saturday's  
S16

Tab B is a more readable copy  
of the NSC material for  
today's meeting. It replaces  
your old Tab A in the  
black binder and repeats  
the President's 9 May speech.  
Your talking points from Friday  
are still valid.

MEMORANDUM FOR: DDCI

FROM :

: Chief, Arms Control Intelligence Staff

SUBJECT : SIG Meeting on START, 1 May 1982 in Preparation  
for NSC Meeting on 3 May

1. The START Senior Interdepartmental Group, chaired by Robert McFarland, met at the White House on 1 May to consider the presentation to the President of agency approaches to the US START negotiating position. A working group was convened following the SIG meeting to review a matrix of agency views (Attachment 1), to prepare a bar chart comparing the outcomes of the various approaches in terms of throw weight and missiles (Attachment 2), to prepare agency statements regarding the relationship of each approach to START criteria (Attachment 3), and to revise the text of a Presidential speech on START scheduled to be delivered on 9 May (Attachment 4). It is expected that the President will decide the "Units of Accounts" issue at or following the NSC Meeting.

5. From our viewpoint, there is nothing particularly new that isn't covered in the briefing materials furnished you for the 30 April meeting. I have no problems with or comments on the draft Presidential speech.

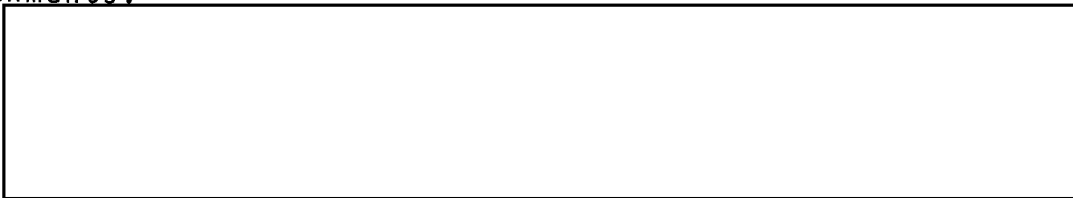

6. If I can be of any further help, please let me know.
